

## Deliverance Prayer

Dear Lord Jesus, I believe that you are the Son of God. I believe that you died on the cross for my sins, and you rose again from the dead, and you are at the right hand of the Father.

I accept you and confess you as my Lord and my Savior. I repent of—and renounce—and ask your forgiveness for every sin that I have committed, spoken, or thought in rebellion, disobedience, weakness, or in ignorance.

I repent of and renounce every sinful word that I have ever spoken or thought about you. I break all curses on me or my family due to blasphemy or cursing you by me, my family, or prior generations. I repent of and renounce every sinful thought or word against any servant of yours. I repent for having lifted my hands against your anointed ones. I repent of and renounce every sinful word I have spoken or thought about my parents, and any act that I have committed that dishonored my father or mother. I break every vow and every judgment I have placed on my mother or father for whatever they did or did not do. I now break all curses brought on me by these sins.

I renounce all curses on me handed down by my family or prior generations. I do not choose to practice any sins of my parents or my ancestors. I forgive my parents and ancestors for causing any curses to come upon me.

I repent of all contacts with Satan and his evil works. I renounce all involvement with witchcraft and the occult. I repent of and renounce all demon spirits that I have allowed to enter my life.

Lord, I forgive all others who have wronged me or harmed me. I lay down all resentment, all bitterness, all hatred, and all rebellion.

Lord Jesus, I ask you to forgive and cleanse me with your precious blood. I accept it now. I accept your forgiveness, and I choose to forgive myself!

Lord, you have said, whosoever shall call on the name of the Lord, shall be delivered. I call on your name right now, and I recognize you as my deliverer.

Now, Lord, I loose myself from every demon spirit, in the name of Jesus, and I command them to leave me now, touching or harming no one. In the name of Jesus, amen!

Satan, because of the blood of Jesus, you have no power over me, and you have no place in me. I now cancel any legal right you claim to remain, in the mighty name of Jesus.
